6	Synology DS218 bay 1 / WD Red WD20EFRX HDD	WD-WCC4M1••••••	2 TB	W	Pass
7	Synology DS218 bay 2 / WD Red WD20EFRX HDD	WD-WCC4M7••••••	2 TB	W	Pass

Method key: W = NIST 800-88 Wipe (nwipe, verify=last) D = Physical destruction (photo proof on file)

Attestation. ZeroFill Tech certifies that the storage media listed above, received from the client named on this certificate, was sanitized in accordance with NIST Special Publication 800-88 Rev. 1 (Clear or Purge method) using nwipe, or was physically destroyed with photographic proof retained on file. No data from these drives was accessed, copied, or retained. This certificate is issued per drive and applies only to the serial numbers listed above.
